STEVE BROWN
RFU CHIEF EXECUTIVE

The Rugby Football Union has been welcoming supporters to Twickenham Stadium since 1910 and we are constantly striving to improve the experience for these highly valued members of the England Rugby family at all levels.

The latest of these improvements is the current development of The East Stand at Twickenham, which will provide first-class hospitality experiences within four brand new and exclusive hospitality facilities.

The development itself has been the RFU's vision for over three years now and we are thrilled that, going forward, official hospitality at Twickenham will be wholly within the stadium. It combines state-of-the-art facilities with excellent cuisine and an exceptional customer experience, ultimately ensuring that Twickenham remains at the forefront of world-class sporting venues.

As a result, we are delighted to announce the launch of England Rugby Hospitality, an RFU brand and sales team which will exclusively sell all official hospitality at the Home of England Rugby from autumn 2018. As with all of our commercial activities, revenues generated will be invested directly back into rugby, which we are all glad to call The Game of Our Lives.

We very much look forward to welcoming you back to a new look Twickenham soon. Thank you for your continued support.

EDDIE JONES
ENGLAND HEAD COACH

What a difference England's fans make when the team runs out at Twickenham. Their fantastic enthusiasm for the game has been very clear to me. They want England to win and we want to reward them by being the best team in the world.

Anyone wanting to play for England must have tremendous pride and passion and certainly those who we have selected are not short on those two attributes. They are proud pulling on the England shirt and passionate on the pitch.

That passion is never more obvious than when we are playing at Twickenham. And it's matched by the thousands of fans and all those in the many executive boxes full of loyal supporters for every test match.

The kind of support that we enjoy is hugely appreciated and the love of the sport and friendships surrounding it are what makes it so special the world over.
